#### Intercession for Road traffic Victims and Road Safety

Lord, on this World Day of Remembrance for the Victims of Road Traffic Accidents we remember all those who have lost their earthly lives on our roads and all those who have been injured in body and in mind. May those whose earthly lives have been lost as a result of road accidents be brought into the light of your loving presence. We pray for those who have suffered injury as a result of a road crash; those who have suffered permanent injury, and those who care for them. May the Lord strengthen us to support and comfort them; that they may find the hope and peace that comes from God. **Lord hear us**

We pray for safety on our roads: for all those who travel and for those who manufacture the vehicles we use. Lord, guide them, and all those whose work is to make our roads safe, with wisdom and understanding, that through their efforts they may achieve the greatest possible measure of safety and fulfil your command to love one another. **Lord hear us**
