It will be asking for input from the local communities of Aghalurcher and Galloon, from Local Historical Societies, Schools, etc. young and old. Everyone will be welcome.

WHAT WE CAN DO ABOUT CLIMATE CHANGE Recycling paper helps save the rain forests. Avoid buying over-wrapped goods. Reduce your garbage by 10% through greater recycling or reduced packaging, with annual savings of 1200lbs of CO2. Use recycled paper, kitchen rolls and toilet rolls. Use Ecover products -natural cleaners. Shop locally, buy organic goods or veg or grow your own. Buy 'Fair Trade.' Plant native trees in your garden -they absorb CO2 and attract wild-life. Plant pollinating flowers in garden to promote bio-diversity and save bees. Save envelopes and use again with re-use labels. Photocopy using both sides of page and help save trees. Compost kitchen and garden waste.
