The world needs men and women who cannot be bought; whose word is their bond; who put character above wealth; who possess opinions and a strong will; who are larger than their vocations; who do not hesitate to take risks and who will not lose their individuality in a crowd.

The world needs men and women who will be as honest in small affairs as in greater; who will make no compromise with wrong; whose ambitions are not confined to their own selfish desires; who will not say they do it "because everybody else does it"; who are true to their friends through good and bad, in adversity as well as in prosperity.

EXTRAORDINARY MONTH OF MISSION: October is established as Mission month throughout the Church. Pope Francis has declared October 2019 to be an Extraordinary Month of Mission, an extra-special month of prayer and action to help strengthen and grow God's Mission and the Church everywhere, including in our own country. The theme of the month will be **"The Church of Christ on Mission in the World"**. Mission Sunday will fall on 20 October. Parishes, families and schools are all invited by the Holy Father to be creative and to get behind this worldwide Church initiative. More details can be found on www.wmi.ie

The world needs men and women who do not believe that shrewdness, cunning and hard-headedness are the best qualities for winning success; who are not ashamed or afraid to stand for the truth when it is unpopular and who can say "no" with emphasis, although the rest of the world says "yes".

The world needs men and women who are willing to say "I believe", who are not afraid to say that their faith in a loving God is important to them and who are happy to say that it makes a difference in their life.
