**Easter Message from Canon Jimmy:** Easter is such a beautiful time of year as nature comes alive to herald new life all around us. Easter is that one time of year that light comes out of darkness, and God breathes his life into us. Easter reminds us that hope should never be lost, for as dark as the road may seem, there always lies light at the end of it. Many people in our world today find it difficult to find that light, and many so easily get locked inside a prison of pain and illness, but our risen Christ can enter into that darkness of despair, and empower us once again to live life to the full. May the blessing of the risen Lord come down upon you, and on all those whom you love this Easter time.

**WEEKEND WORKSHOP: UNDEFEATED: LIVING WITH CANCER:** Dromantine, Newry. People living with cancer and their loved ones often report feeling overwhelmed by 'information overload' following the initial cancer diagnosis. Grounded, honest and inspirational, this workshop seeks to help people affected by cancer to separate fact from fiction, feel more able to sit with the uncertainty of their future, build their emotional strength and courage and claim deeper meaning in vulnerability. As living longer with a cancer diagnosis becomes more common, this workshop is for everyone. Friday, 26th April, 5pm - Sunday, 28th April, 2pm - £230 or €262. Please contact Jacinta or Louisa to reserve your place: TEL: 028 3082 1964 EMAIL: [admin@dromantineconference.com](mailto:admin@dromantineconference.com)
