God's co-workers - Beginning with the image of sowing and reaping, the Holy Father points out that "Lent invites us to conversion, to a change in mindset, so that life's truth and beauty may be found not so much in possessing as in giving, not so much in accumulating as in sowing and sharing goodness."

God, he explains, is the first to sow, sowing "abundant seeds of goodness in our human family." During the period of Lent, "we are called to respond to God's gift" by listening to His Word, so that it might "bear fruit in our lives." In this way, we become "God's co-workers," which is a grace of sharing in God's own "bountiful goodness."

Pope Francis' Lenten Message

We wish all our P4 children God's blessing as they celebrate their First Penance on Monday, and Wednesday nights of this coming week.

Now that the UK government has launched its **HOMES FOR UKRAINE** scheme, there may be some households in the parish who are intending to host Ukrainian guests. It would be helpful to enable the Ukrainian visitors to connect with each other and indeed host families to keep in touch. The parish is offering to keep a list of hosts to facilitate this connectivity. If you have become a host and are interested in giving your name and details to the parish office, it will be kept in confidence for this purpose only.
