*God of Justice, open our ears to hear the cry of the poor and to seek them where they are. Let their cries for healing and wholeness move us to action. Open our hearts to a deepened relationship with those in need that we may draw near in love and our shared identity as your children. Open our mouths to advocate for health care as a human right, not a privilege of the economically secure. Let us hear in the cry of the poor the hope of future liberation grounded in the love of a good God. Remind us that what we do to the least ones, we do to you. Amen.*
