**Thought for the Week** - *I have a plaque hanging in my home and it reads in big black letters, "Move forward, I will be with you". I try to live with those words in my ministry and in my life. I think about those words whenever fear threatens to paralyse me when those big and small decisions have to be made.*

*Each day we must make the choice to press on past that fear, and with those feelings of being inadequate, we must move forward to receive those blessings that await us, for God has a plan for each one of us, and He is with us, and with Him, we will overcome anything that stands in our way. **Have a good week.***
