Today as I think about your frustration over the fig tree that didn't bear fruit, I ask you to forgive me for the times I've failed to live up to my potential. As I ponder your righteous anger at the money changers you cast out of the temple, I ask your forgiveness for when I've sinned against you. Please empower me to overcome temptations to sin. Thank you for serving as my advocate. Teach me to care about what matters to you. Give me the courage I need to boldly stand up for what is right and work for justice to be done in the world. Amen
