

## Minutes of Pastoral Team Meeting Thursday 22<sup>nd</sup> October 2020 via Zoom

### Update on Church Attendance

- Morning Masses
- Vigil St. Mary's
- Sunday Morning 11am
- Maguiresbridge on Friday night
- Peregrine Mass

Weekday – consistently attended, all going well  
80 / 85% are regular attenders and know the routine  
Music adds so much to weekday Mass – thanks to Karen

People not aware that visors are not ok. Suggestion that there should be a certification and inspection process for Churches – directed by the Diocese

We are doing extremely well in this Parish, but we are in danger of being too strict  
There has already been a note in the bulletin regarding visors. It is not our job or the ushers' job to stop someone if they are wearing a visor, instead of a face mask. If someone comes to the Church without a face mask, they should not be allowed in.  
There are some people coming to Lisnaskea because they feel safer

### Vigil Mass

People are turning up without registering:

- 14 in St. Mary's last Saturday
- 24 in Holy Cross last Sunday

People to be encouraged not to come without being booked. We have a great reputation  
People cannot expect to get in if they have not booked, but ushers cannot be expected to deal with this situation

If there are available seats after those booked have taken their seats in the Church then it's ok to use these. The last two Sundays the ushers explained to people that they need to book, and it was also announced at Mass so hopefully this will no longer be a problem. It will be put in the bulletin again and we can keep an eye on it. We can't be seen to be unwelcoming.

The vast majority of people are adhering to the booking process in place

### Funerals

Very few in the last month or so  
Signs in place throughout the grounds regarding social distancing  
Ushers will be at the bottom of the cemetery  
Only 25 people can attend a funeral at the moment

Only 25 people can attend a burial at the moment

### **Congregation Response Microphones**

Waiting for technician to come back

### **Reaching out to Young Families**

Books and DVDs available from Monday. Great resources for parents. DVDs were viewed in St. Ronan's. Can be ordered from Parish Office. If cost becomes an issue, we will look into other options, eg, paying a deposit to hire and return

### **Adult Resources**

A library facility will be opened with books from Monsignor Cahill and Canon Mullan for people to read in the room.

### **Baptisms**

Going very well. Only 4 people at Baptisms. More personal

### **Doors Open during Masses**

Winter is setting in. Vulnerable age group attending Mass. Is there an alternative to keeping the doors open? It's only 20 minutes. Going to get very cold. People were encouraged to sit up the front on Tuesday and Sunday and they accepted that. If people arrive late they will be caught out and have to sit at the back

The risk is the proximity of the people beside you. Suggestion – Canon Jimmy will look into the possibility of installing a fire curtain at the door.

A screen will also be put in place at the door for when people who are not regulars have to give their names. Sometimes they stand too close to the ushers taking their details

### **New Mass Schedule**

St. Mary's going really well. All very happy.

## **AGENDA**
